

Name	Country of origin	Country of residence	Current work	Current research field of work	Research fields of interest
Imanol	Spain	Switzerland	Researcher and project coordinator	Solid Waste Management in Low and Middle income settings	<ul style="list-style-type: none"> - Slow pyrolysis of organic waste - Emissions of small scale pyrolysis kilns - Integrated biowaste treatment facilities - Trends and habits in packaging materials
Aditi Ramola	India	Austria	Project Manager	Solid Waste Management	Waste and resource management, Environmental education, Climate Change and sustainable development
Vaishnavi Reddy Pratap	India	Germany	seeking for career opportunities	Life cycle analysis	<ol style="list-style-type: none"> a. E Waste management in Germany and India. b. Life cycle assessment c. Circular economy
Gadir Huseynov	Azerbaijan	Azerbaijan	"Tamiz Shahar" JSC	Recycling edible oils, Recycling business in Azerbaijan, Oil spills in Azerbaijan, Ecology/Environment scientists in Azerbaijan	<ol style="list-style-type: none"> 1. MSW Recycling businesses, facilities, investments: global directory and Azerbaijan as a point of destination 2. MSWM activities and networks on the CIS, Eastern Europe and Central Asia level 3. Oil wastes on the surface of Caspian Sea, cleaning and recycling technologies and their application: status-quo and trends
Antonios Sakalis	Greece	Greece	Environmental Consultant - Waste Management Expert	Environmental Impact Assessment, Waste management	Waste to Energy, Circular Economy, Integrated Waste Management
Jef Bergmans	Belgium	Belgium	Researcher at VITO	Research projects on the recycling of inorganic waste streams	<ul style="list-style-type: none"> • Valorisation opportunities of iron-rich sludges • Heap leaching technology for waste materials • Recycling of the stony fraction of construction and demolition waste
Ramy Salemdeeb	Palestine	UK	Ricardo Energy & Environment	Environmental life cycle assessment	Environmental modelling, post-disaster and post-conflict waste management, Circular economy

Nathalia Lima	Brazil	Brazil	Project analyst	Informal Recycling Sector	Recycling, prevention, social impacts of waste management
Nkanyiso Ndlovu	Zimbabwe	Zimbabwe	Solid Waste Management at city level	SWM financing and provision of SWM services in constrained economies	recycling, SWM policies
Kat	Australia	Australia	Senior Consultant	Food waste	Food waste
Vishwas Vidyaranya	India	Germany	Sanitary Engineer	MBT	MBT, Air pollution control, Dumpsite closure
Ana Gomes	Portugal	Portugal	Researcher	Packaging waste; urban waste/urban metabolism	urban waste; urban metabolism; waste streams
Iraia Oribe	Basque Country	Basque Country	postdoctoral researcher	Waste management, zero waste ecosystem	Waste data management, circular economy, PAYT
