

MEET THE MEMBERS:

Ashish Khanal

Waste Management Expert and Editor-in-chief for Journal of Sustainability and Environmental Management (JOSEM)

”

ISWA Young Professional Group – Nepal was launched by group of waste management professionals in April 2022. ISWA Young Professional Group Nepal, being a part of the International Solid Waste Association, will help to create local impact in Nepal by knowledge sharing and collaboration with a focus on the challenges in solid waste management sector. Nepal Chapter always welcomes Nepalese individuals having enthusiasm in the solid waste management field to join the team.
